

# **Provider Group – Joint Job Evaluation Job Fact Sheet** <u>Job #241 – Waste Porter</u>

#### Section 1 – INTRODUCTION

PLEASE PRINT

Purpose: This section provides general direction for completing the Job Fact Sheet and is further supplemented by the additional instructions set out in the remaining sections of this Job Fact Sheet.

The collection of accurate, complete, up-to-date and gender neutral job information is essential to, and forms the basis of, the job evaluation process.

This Job Fact Sheet (JFS) provides a format and serves as a questionnaire designed to describe a job, to capture the skill, effort and responsibility normally required in the work, and to record the conditions under which it is usually carried out. The JFS focuses on **CURRENT** job content and requirements. **THIS IS NOT AN APPRAISAL OF AN INDIVIDUAL'S PERFORMANCE ON THE JOB**.

Please read the JFS carefully, and complete each section. Throughout the JFS examples are requested and are important as you describe the job. Provide additional information on the back blank pages of this document, additional job holder comments can be recorded in Section (16) on page 25, or attach additional pages if necessary.

#### **SUPERVISOR – STEPS TO FOLLOW:**

- 1. a. New Job: complete Job Review Request Form (JRRF), complete a proposed JFS and proposed Job Description.
- b. Forward all documents to your Human Resources representative.
- 2. DO NOT CHANGE EMPLOYEE'S RESPONSES.

#### **EMPLOYEE - STEPS TO FOLLOW:**

- 1. Please read the JFS carefully, and complete each section. If you find that some questions do not relate to your job, please write in "not applicable".
- 2. The information you provide should relate to the job content as it currently exists. When reviewing your duties and responsibilities, ensure that you consider the entire job cycle (activities that regularly occur in a one-year period).
- 3. Group submissions are encouraged for employees doing the same or very similar job duties.
- 4. It is suggested that you complete Sections 6 through 15 before completing Sections 4 and 5. The "Sample Key Activities" (see Appendix A) may assist you in completing Section 5.
- 5. Once you have completed the JFS and if you have not already submitted a JRRF, please complete and forward both documents to your Human Resources representative. Keep a copy of all documentation for your records. Please complete the Signatures Section (17) on page 25.
- 6. Your immediate **Out-of-Scope Supervisor** (Supervisor) will review your completed JFS and add comments at the end of each section.
- Please keep in mind that, although you are the employee(s) doing the job, what is being described are the current responsibilities of the job not how well you are performing these tasks and responsibilities. It is important that you concentrate only on providing the facts about the job and its responsibilities.

# Section 2 – ORGANIZATIONAL WORK CHART **Purpose:** This section gathers information regarding the organization in which your job functions. Complete the Chart below: ► Be sure to write in the **Provincial JE Job Title of the position** – **not** the name of the person currently in the job. #### **5 – KEY WORK ACTIVITIES**

#### Purpose: This section describes the key activities, duties and responsibilities of the job.

Consider the full range of job duties or responsibilities undertaken over the year. Summarize these in rough form before completing this section.

Group the job duties or responsibilities that are related and summarize them in a phrase, at the top of each box (e.g., counseling and patient education, preventative maintenance, community involvement). Estimate (to the nearest 5%) the percentage of time per year spent on each key work activity summarized in the section(s) below. Most jobs can be described in three to five key work activities.

The total of all key work activity sections should equal but not exceed 100%. For example:  $\frac{1}{2}$  day every day per year = 50%; 3 months per year = 25%; 2  $\frac{1}{2}$  weeks per year = 5%

After summarizing each key work activity, provide details or examples that describe the related job duties or responsibilities. If using abbreviations, acronyms or technical terminology, please initially explain their meaning.

- Don't get lost in detail in describing the duties and responsibilities. Use clear verbs about things that are done in connection with each one. Avoid using a gender biased wording (i.e. he or she) in describing the work.
- It is important that the **whole job** be described, not just a particular dimension or a special project.

#### The "Sample Key Activities" (see Appendix A) may assist you in completing this section.

#### Key Work Activity A: <u>Garbage Pick-Up</u>

**Duties/Responsibilities:** 

- Picks up garbage from all areas of the facility.
- Separates and sorts garbage (e.g., compactor, cardboard baler, biohazardous cooler).
- *Recycles all paper products.*

Section 13 – PHYSICAL DEMANDS

Purpose: This section gathers information on the physical effort and for the accurate hand/eye or hand/foot coordination required on a regular basis in your job.

- (a) What **physical effort** is required on a **typical** basis for your job? Please provide examples that are applicable to your job.
  - Duration means individual periods of **uninterrupted time** (except for scheduled breaks) i.e. how long you have to perform the activity each time.
  - Frequency means **how often** each activity occurs within the day.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). Percentages may not add up to 100% (due to simultaneous activities).

Place a checkmark in the chart below indicating the duration, frequency and weight of the activity. Only indicate weight where applicable.

**Light weight** – up to 9 kg / 20 lbs

Occasional - means the activity occurs once in a while - less than 50% of the time

Medium weight – over 9 kg / 20 lbs

**Regular** – means the activity occurs often – between 50% - 75% of the time
