

# Provider Group – Joint Job Evaluation Job Fact Sheet

## Job #409 – Automation System Technologist

PLEASE PRINT

### Section 1 – INTRODUCTION

**Purpose:** This section provides general direction for completing the Job Fact Sheet and is further supplemented by the additional instructions set out in the remaining sections of this Job Fact Sheet.

The collection of accurate, complete, up-to-date and gender neutral job information is essential to, and forms the basis of, the job evaluation process.

This Job Fact Sheet (JFS) provides a format and serves as a questionnaire designed to describe a job, to capture the skill, effort and responsibility normally required in the work, and to record the conditions under which it is usually carried out. The JFS focuses on **CURRENT** job content and requirements. **THIS IS NOT AN APPRAISAL OF AN INDIVIDUAL'S PERFORMANCE ON THE JOB.**

Please read the JFS carefully, and complete each section. Throughout the JFS examples are requested and are important as you describe the job. Provide additional information on the back blank pages of this document, additional job holder comments can be recorded in Section (16) on page 26, or attach additional pages if necessary.

#### SUPERVISOR – STEPS TO FOLLOW:

1. a. **New Job:** complete Job Review Request Form (JRRF), complete a proposed JFS and proposed Job Description.
- b. **Six-month review of New Job:** Please review all sections of the completed “draft” JFS and “draft” Job Description thoroughly and add any additional information or comments in each section. Also, additional Supervisor comments can be recorded in Section (18) on page 27.
- c. Forward all documents to your Human Resources representative.
2. **DO NOT CHANGE EMPLOYEE'S RESPONSES.**

#### EMPLOYEE - STEPS TO FOLLOW:

1. Please read the JFS carefully, and complete each section. If you find that some questions do not relate to your job, please write in “not applicable”.
  2. The information you provide should relate to the job content as it currently exists. When reviewing your duties and responsibilities, ensure that you consider the entire job cycle (activities that regularly occur in a one-year period).
  3. Group submissions are encouraged for employees doing the same or very similar job duties.
  4. **It is suggested that you complete Sections 6 through 15 before completing Sections 4 and 5. The “Sample Key Activities” (see Appendix A) may assist you in completing Section 5.**
  5. Once you have completed the JFS and if you have not already submitted a JRRF, please complete and forward both documents to your Human Resources representative. Keep a copy of all documentation for your records. Please complete the Signatures Section (17) on page 26.
  6. Your immediate **Out-of-Scope Supervisor** (Supervisor) will review your completed JFS and add comments at the end of each section.
- ▶ Please keep in mind that, although you are the employee(s) doing the job, what is being described are the current responsibilities of the job – not how well you are performing these tasks and responsibilities. It is important that you concentrate only on providing the facts about the job and its responsibilities.

Complete the Chart below:

Be sure to write in the **Provincial JE Job Title of the position** – **not** the name of the person currently in the job.

---

---

**Provincial JE Job Titles that report directly to you (if applicable)**

**Supervisor's Initials:**

**Section 3 – JOB IDENTIFICATION**

**Purpose:** This section gathers basic identifying material so we can keep track of completed Job Fact Sheets.

Provide your name and work telephone number(s) for contact purposes. For group JFS submissions, please note the name and telephone number(s) of the contact person.

Name of person completing the JFS for a single employee, or contact person for group JFS submission (ONLY COMPLETE A GROUP SUBMISSION IF ALL EMPLOYEES ARE DOING THE SAME JOB):

Name (**Print**): \_\_\_\_\_ Employee No.: \_\_\_\_\_

Work Telephone: \_\_\_\_\_ E-Mail Address: \_\_\_\_\_

Saskatchewan Health Authority/Affiliate: \_\_\_\_\_

Facility/Site: \_\_\_\_\_ Department: \_\_\_\_\_

See Section 18 on page 28 for signatures.

Provincial JE Job Title: \_\_\_\_\_ Date: \_\_\_\_\_

Provincial JE Number: \_\_\_\_\_ Office use only:

JEMC No. M - -

**Section 4 – JOB SUMMARY**

**Purpose:** This section describes why the job exists.

Briefly describe the general purpose of this job: *Coordinates and maintains building automation/life safety systems and associated equipment. Designs, implements and tests new applications for specific solutions and provides technical support.*

Tips:

- ▶ Consider “Why does this job exist?” and “What is this job responsible for?”
- ▶ Think about what you would say if someone approached you and asked you about your job.
- ▶ You may wish to begin with: “The (Job Title) exists to ...” or “The (Job Title) is responsible for...”

\*\*\*\*\*

## 5 – KEY WORK ACTIVITIES

**Purpose:** This section describes the key activities, duties and responsibilities of the job.

Consider the full range of job duties or responsibilities undertaken over the year. Summarize these in rough form before completing this section.

**Group the job duties or responsibilities that are related and summarize them in a phrase, at the top of each box** (e.g., counseling and patient education, preventative maintenance, community involvement). Estimate (to the nearest 5%) the percentage of time per year spent on each key work activity summarized in the section(s) below. Most jobs can be described in three to five key work activities.

**The total of all key work activity sections should equal but not exceed 100%.** For example: ½ day every day per year = 50%; 3 months per year = 25%; 2 ½ weeks per year = 5%

After summarizing each key work activity, provide details or examples that describe the related job duties or responsibilities. If using abbreviations, acronyms or technical terminology, please initially explain their meaning.

- ▶ Don't get lost in detail in describing the duties and responsibilities. Use clear verbs about things that are done in connection with each one. Avoid using a gender biased wording (i.e. he or she) in describing the work.
- ▶ It is important that the **whole job** be described, not just a particular dimension or a special project.

The "Sample Key Activities" (see Appendix A) may assist you in completing this section.

**Key Work Activity A: Administration, Planning and Scheduling**

**Duties/Responsibilities:**

- ♦ *Prioritizes workload and coordinates the operation of the automated control systems, associated equipment and life safety systems.*
- ♦ *Assists in the preparation and monitoring of operating and capital budgets.*
- ♦ *Acts as a liaison and communicates with other departments/staff and outside agencies/representatives (e.g., Fire Department, Infection Control, project leaders, planners, contractors).*
- ♦ *Coordinates and provides education and training to staff and students.*
- ♦ *Provides input into hiring and performance appraisal and performance review.*
- ♦ *Assists in the development, implementation and maintenance of policies and procedures.*
- ♦ *Coordinates and implements preventative maintenance programs ensuring compliance with preventative maintenance schedules and regulations (e.g., HVAC, Fire Alarms, CSA).*
- ♦ *Prepares estimates (e.g., repairs, projects, renovations).*
- ♦ *Prepares reports (e.g., preventative maintenance, energy efficiency, project status and recommendations).*
- ♦ *Ensures manuals/blueprints are current.*
- ♦ *Maintains inventory and obtains quotations.*
- ♦ *Schedules inspections, testing and repair of various building systems.*
- ♦ *Identifies and creates new solutions for aging equipment and infrastructure.*

## Section 5 – KEY WORK ACTIVITIES (cont'd)

Key Work Activity B: Equipment Controls / System Maintenance

## Duties/Responsibilities:

- ◆ *Performs inspections, commissioning, verification and calibrations.*
- ◆ *Designs, assembles, installs, troubleshoots, repairs and maintains building control and life safety systems.*
- ◆ *Analyzes and troubleshoots equipment integration problems and operating anomalies.*
- ◆ *Develops, modifies, programs and maintains software and graphics for control systems.*
- ◆ *Provides technical input in the evaluation of existing process control logic structures and logic programs.*
- ◆ *Monitors process inputs, observes related process outputs, evaluates and interprets and trends data.*
- ◆ *Maintains fire alarm and other safety devices and systems as required by applicable codes.*
- ◆ *Ensures communication between control panels and end devices is maintained.*
- ◆ *Performs routine preventative maintenance.*
- ◆ *May respond to emergency conditions for life safety and fire suppression systems.*

Key Work Activity C: Project Coordination and Integration

## Duties/Responsibilities:

- ◆ *Plans, coordinates and monitors building automation aspect of renovation and construction projects.*
- ◆ *Leads projects, including other trades and contractors when building automation is a major part of the projects.*
- ◆ *Participates in planning activities to support the services of the building automation controls system with other departments and coordinates the activities with applicable staff.*
- ◆ *Participates in the prioritization of projects and maintenance.*

## Section 6 – DECISION-MAKING

**Purpose:** This section provides a series of situations that may be encountered on the job requiring decision making before taking action.

For each situation, please indicate the response that most appropriately describes your job. Provide examples where requested. Add any additional examples under “Other”.

- ▶ Example: if the job requires you to follow specific instructions/procedures most of the time, check the box under “Most of the time” and give examples. If the job requires you to modify established methods often, check “Often”.

| (a) In this job, do you (check all responses that apply)                                                                                                                                                                                                                         | Almost never | Sometimes | Often | Most of the time |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|-----------|-------|------------------|
| Follow specific instructions/procedures, use well-defined methods or use established guidelines to achieve desired end results.<br>Example: <i>Codes, fire alarm inspection/commissioning and vendor specific equipment instructions.</i>                                        |              |           | X     |                  |
| Modify or change established department methods and procedures, but stay within program or legislative boundaries.<br>Example: <i>Modify controls and software graphics for control systems.</i>                                                                                 |              |           |       | X                |
| Develop new solutions to diverse and complex problems with conflicting requirements because there are no guidelines.<br>Example: <i>Modify or integrate obsolete equipment, develop building automation control strategies to improve occupant comfort, energy efficiencies.</i> |              |           | X     |                  |

  

| (b) When there is a situation you have not come across before, do you (check all responses that apply) | Almost never | Sometimes | Often | Most of the time |
|--------------------------------------------------------------------------------------------------------|--------------|-----------|-------|------------------|
| Immediately ask the supervisor/leader what to do                                                       |              | X         |       |                  |
| Ask co-workers for help in deciding what to do                                                         |              | X         |       |                  |
| Read manuals and figure out what to do                                                                 |              |           |       | X                |
| Decide with your supervisor what to do                                                                 |              | X         |       |                  |
| Check guidelines and past practices                                                                    |              |           | X     |                  |
| Decide what to do based on your related experience                                                     |              |           |       | X                |
| Get advice with problems from management and/or other sources (e.g. supplier, consultants)             |              |           | X     |                  |
| Other (specify):                                                                                       |              |           |       |                  |

## Section 6 – DECISION-MAKING (cont'd)

| (c) To what extent are the decision-making requirements of this job guided by others (check all responses that apply and provide examples) | Almost never | Sometimes | Often | Most of the time |
|--------------------------------------------------------------------------------------------------------------------------------------------|--------------|-----------|-------|------------------|
| Immediate supervisor<br>Example: _____                                                                                                     |              | X         |       |                  |
| Others in own program/department<br>Example: _____                                                                                         |              | X         |       |                  |
| Others within the SHA / Affiliate<br>Example: _____                                                                                        |              | X         |       |                  |
| Departmental Management<br>Example: _____                                                                                                  |              | X         |       |                  |
| Specialists / Clinical Experts<br>Example: _____                                                                                           |              | X         |       |                  |
| Senior Management<br>Example: _____                                                                                                        | X            |           |       |                  |
| Other<br>Example: _____                                                                                                                    |              |           |       |                  |

\*\*\*\*\*

## SUPERVISOR'S COMMENTS – DECISION-MAKING

Are the responses to the question: ☐ Complete ☐ IncompleteDo you agree with the responses: ☐ Yes ☐ NoCOMMENTS (must be completed if "Incomplete" or "No" is selected):

## Section 7 – EDUCATION AND SPECIFIC TRAINING

**Purpose:** This section gathers information on the minimum level of completed formal education required for the job.

- (a) What **minimum** level of completed schooling or formal training would be necessary for a **new person** being hired into this job? **This does not reflect the education that you have, but what is the typical minimum requirement of the job.**

▶ The total **minimum** level of completed schooling or formal training should include all classroom, laboratory, practicum, clinical, or apprenticeship, etc., time required prior to graduation or certification.

(i) High School: Grade 10 ☐ Grade 11 ☐ **Grade 12** ☒

(ii) Technical/Vocational/Community College: 1 year ☐ 2 years ☐ **3 years** ☒

Specify (Do not use abbreviations): **Electrical Engineering Technology diploma**

(iii) Licensed Trades: 1 year ☐ 2 years ☐ 3 years ☐ 4 years ☐ 5 years ☐

Specify (Do not use abbreviations): \_\_\_\_\_

(iv) University: 3 years ☐ 4 years ☐ Masters ☐

Specify (Do not use abbreviations): \_\_\_\_\_

- (b) Is any Provincial, National or professional certification mandatory? ☐ Yes ☒ **No**

If yes, please specify and provide the name of the licensing / certification / registration body (do not use abbreviations):

- (c) What additional special skills, training, or licenses are needed to perform the job? Indicate the length of the course/program:

Specify (Do not use abbreviations):

- ♦ **Advanced computer skills**
- ♦ **Analytical skills**
- ♦ **Organizational skills**
- ♦ **Leadership skills**
- ♦ **Communication skills**
- ♦ **Interpersonal skills**
- ♦ **Ability to work independently**
- ♦ **Valid driver's license, where required by the job**

\*\*\*\*\*

## SUPERVISOR'S COMMENTS – EDUCATION AND SPECIFIC TRAINING

Are the responses to the question: ☐ Complete ☐ Incomplete

Do you agree with the responses: ☐ Yes ☐ No

COMMENTS (must be completed if “Incomplete” or “No” is selected):

\_\_\_\_\_  
 \_\_\_\_\_

 \_\_\_\_\_ Supervisor's Initials: \_\_\_\_\_

## Section 8 – EXPERIENCE

**Purpose:** This section gathers information on the minimum relevant experience required for a job. Relevant experience may include previous job-related experience and/or on-the-job learning or adjustment.

Estimate the **minimum** relevant experience gained: (a) prior to and/or (b) on-the-job, that is required for a new person with the education recorded in Section 7 to acquire the skills needed to carry out the requirements of this job.

- ▶ For part (a), ask yourself, “Is previous related job experience necessary? If so, how much?”
- ▶ For part (b), ask yourself, “Is time on the job required to learn new tasks and responsibilities or to adjust to the job? If so, how much?”
- ▶ **Do not include laboratory, practicum, clinical or apprenticeship, etc., time recorded in Section 7, Education and Specific Training.**

(a) Required previous related job experience (**do not include practicum or apprenticeship if covered in Section 7 – Education and Specific Training**)

☐ None
                     ☐ 6 months
                     ☐ 1 year
                     ☒ 3 years
                     ☐ 5 years  
☐ Up to 3 months
                     ☐ 9 months
                     ☐ 2 years
                     ☐ 4 years
                     ☐ Other (specify) \_\_\_\_\_

Describe the experience requirements gained on previous jobs here or elsewhere needed to prepare for this job:

- ♦ *Thirty-six (36) months previous experience which includes twelve (12) months co-op work term and twenty-four (24) months working as a Technologist in an automated commercial/industrial environment including process control programming.*

(b) Average time required on the job to learn and/or adjust to this job:

☐ 1 month or fewer
                     ☐ 6 months
                     ☒ 1 year
                     ☐ 3 years  
☐ 3 months
                     ☐ 9 months
                     ☐ 2 years
                     ☐ Other (specify) \_\_\_\_\_

Describe the tasks and responsibilities that need to be learned in order to satisfy the requirements of this job:

- ♦ *Twelve (12) months on the job to become familiar with the sequence and operation of building automation systems, controls, all associated facility equipment and department policies and procedures.*

\*\*\*\*\*

## SUPERVISOR'S COMMENTS – EXPERIENCE

Are the responses to the question: ☐ Complete ☐ Incomplete

Do you agree with the responses: ☐ Yes ☐ No

COMMENTS (must be completed if “Incomplete” or “No” is selected):

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_ Supervisor's Initials: \_\_\_\_\_

## Section 9 – INDEPENDENT JUDGEMENT

**Purpose:** This section gathers information on the extent to which the job exercises independent action.

All jobs require some independent action, but to varying degrees. Some jobs are highly structured and have many formal procedures, while others require exercising judgement or taking actions that have no precedents to serve as a guide.

Consider the type and level of guidance provided to this job. Guidance can come from rules, instructions, established procedures, defined methods, manuals, policies, professional standards, precedents, leadership from others and direct supervision.

- (a) To what extent does this job control its own work as opposed to being guided by influences such as rules, procedures, policies, supervisory presence or instructions directing actions required?

**Please check the answer that most closely represents expected job requirements.**

- ☐ Most job requirements (to the extent possible) are set out within structure and rules and/or readily understood schedules to guide job tasks/duties required.
- ☐ Some restrictions apply, but the control over setting work priorities and pace of work is contained within the job.
- ☒ There are minimal restrictions, leaving significant control over the work being carried out within the scope of the job.
- ☐ Other (please explain): \_\_\_\_\_

- (b) To what extent does this job exercise judgement to determine how the work is to be done?

**Please check the answer that most closely represents expected job requirements.**

- ☐ Work is mostly repetitive and predictable with little need for judgement. Example: \_\_\_\_\_
- ☐ Work may present some unusual circumstances that require judgement or choices to be made. Example: \_\_\_\_\_
- ☒ Work presents difficult choices or unique situations that require judgement. Example:
- ♦ *This position requires a high level of operational and systems understanding to facilitate changes to resolve operational problems or to accommodate retrofit modifications and to develop creative solutions that ensure services are maintained during equipment failures and shutdowns.*

\*\*\*\*\*

## SUPERVISOR'S COMMENTS – INDEPENDENT JUDGEMENT

Are the responses to the question: ☐ Complete ☐ Incomplete

Do you agree with the responses: ☐ Yes ☐ No

COMMENTS (must be completed if “Incomplete” or “No” is selected):

\_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_ Supervisor's Initials: \_\_\_\_\_

## Section 10 – WORKING RELATIONSHIPS

**Purpose:** This section gathers information on the typical contacts or working relationships necessary in doing the job.

- (a) What are the typical contacts or working relationships **necessary** in doing this job? For each contact listed, determine the purpose of the contact and **check off all that apply** in the chart below. **Do not include contact with employees you supervise.**

**Purpose of Contact:**

- |                                                                                                                 |                                                                                                                                               |
|-----------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|

## Section 11 – IMPACT OF ACTION

**Purpose:** This section gathers information on the likelihood of impact of action occurring when carrying out the duties of the job. Consider the responsibility for actions, resources and services, and the extent of the losses.

When carrying out your job duties and responsibilities, what is the likelihood of your actions having an impact or an outcome on the following? Such effects are typical and not considered as carelessness, willful neglect or extreme circumstances.

Injury or discomfort of others

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Errors in judgement or failure to meet CSA and HVAC code requirements may result in service delays or compromise air quality within facility(ies).*

Embarrassment in public, client / patient / resident, families, business or employee relations

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Incorrect programming of HVAC systems may impact service delivery in key operational areas (e.g., Operating Room, Cancer Clinic, Isolation Rooms).*

Delays in processing or handling of information or in the delivery of services

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Incorrectly programmed systems create significant delays in service or inability to use otherwise functional space.*

Actions which impact on departmental / site / agency / SHA / Affiliate operations

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Inadequate response to mechanical equipment and systems failures may result in significant service disruption.*

Damage to equipment / instruments

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Failure to follow manufacturer's operational instructions may lead to systems equipment failure.*

Loss of or inaccurate information

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Lack of proper record keeping may lead to inadequate preventative maintenance and delays in system updates.*

Financial losses including withdrawal of commitment or withholding of funds

Is an impact likely? Yes ☒ No ☐

If yes, please provide an example(s):

- ♦ *Improper maintenance or programming may affect system performance which may impact operational and utility costs.*

Other –

Is an impact likely? Yes ☐ No ☐

If yes, please provide an example(s):

## Section 12 – LEADERSHIP/SUPERVISION

**Purpose:** This section gathers information on the requirements to supervise others, lead others and / or provide functional guidance or technical direction to enable them to carry out their job.

Leadership refers to the requirements of the job to supervise others, lead others, provide functional guidance or provide technical direction to enable other employees to carry out their job. **Do not include clients / patients / residents.**

Specify any jobs or work group as appropriate, under one or more of these categories. **Check all that apply and provide examples.**

- ☒ Familiarize new employees with the work area and processes
- ☒ Assign and/or check work of others doing work similar to yours
- ☒ Lead a project team, prioritize tasks, assign work, monitor progress to achieve planned outcome(s)
- ☒ Provide functional advice / instruction to others in how to carry out work tasks
- ☒ Provide technical direction as an expert in a field in order for others to carry out their primary job responsibilities
- ☒ Provide input to appraisal, hiring and/or replacement of personnel
- ☐ Coordinate replacement and/or scheduling of employees
- ☐ Supervise a work group; assign work to be done, methods to be used, and take responsibility for all the group
- ☐ Supervise the work, practices and procedures of a defined program
- ☐ Supervise the work, practices and procedures of a department
- ☐ Provide counseling and/or coaching to others
- ☐ Provide health promotion / outreach (teaching / instruction)
- ☐ Other (specify)

## Section 13 – PHYSICAL DEMANDS

**Purpose:** This section gathers information on the physical effort and for the accurate hand/eye or hand/foot coordination required on a regular basis in your job.

(a) What **physical effort** is required on a **typical** basis for your job? Please provide examples that are applicable to your job.

- ▶ Duration means individual periods of **uninterrupted time** (except for scheduled breaks) – i.e. how long you have to perform the activity each time.
- ▶ Frequency means **how often** each activity occurs within the day.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).**

Place a checkmark in the chart below indicating the duration, frequency and weight of the activity. **Only indicate weight where applicable.**

**Light weight** – up to 9 kg / 20 lbs

**Occasional** – means the activity occurs once in a while – less than 50% of the time

**Medium weight** – over 9 kg / 20 lbs

**Regular** – means the activity occurs often – between 50% - 75% of the time

**Heavy weight** – over 23kg / 50 lbs

**Frequent** – means the activity occurs every day – over 75% of the time

- ▶ Exertions that are infrequent or that are not typical of the performance of the job should not be considered.

| ACTIVITY EXAMPLES                   | DURATION                  | FREQUENCY  |         |          | WEIGHT                         |
|-------------------------------------|---------------------------|------------|---------|----------|--------------------------------|
|                                     | Approximate % of time/day | Occasional | Regular | Frequent | Light, Medium, Heavy (specify) |
| <i>Computer operation</i>           | 40 – 60%                  |            |         | X        |                                |
| <i>Sitting</i>                      | 40 – 60%                  |            |         | X        |                                |
| <i>Walking/standing</i>             | 30 – 50%                  |            | X       |          |                                |
| <i>Working in awkward positions</i> | 10 – 40%                  |            |         | X        |                                |
| <i>Working from ladders</i>         | 10 – 40%                  |            |         | X        |                                |
| <i>Crawling/climbing/lifting</i>    | 10 – 25%                  |            | X       |          | L – M                          |
| <i>Pushing/pulling</i>              | 5%                        |            | X       |          | M                              |
| <i>Driving</i>                      | 0 – 10%                   | X          |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |
|                                     |                           |            |         |          |                                |

## Section 13 – PHYSICAL DEMANDS (cont'd)

(b) Does your work require **accurate hand/eye or hand/foot coordination**? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100 % (due to simultaneous activities).**

► **Examples:** keyboard skills, repairing fine instruments/equipment; floor polishers; folding laundry; mechanical; plumbing; giving injections; dispensing oral medications; lawn mowers; sorting mail; electrical; driving; drafting; using long-handled tools such as mops and shovels; stocking shelves; positioning patients and equipment; carpentry.

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

**Occasional** – means the activity occurs once in a while – less than 50% of the time  
**Regular** – means the activity occurs often – between 50% - 75% of the time  
**Frequent** – means the activity occurs every day – over 75% of the time

| ACTIVITY EXAMPLES                                           | DURATION                  | FREQUENCY  |         |          |
|-------------------------------------------------------------|---------------------------|------------|---------|----------|
|                                                             | Approximate % of time/day | Occasional | Regular | Frequent |

Supervisor's Initials: \_\_\_\_\_

## Section 14 – SENSORY DEMANDS

**Purpose:** This section gathers information on the frequency and duration of sensory demands required by your job.

- (a) What **Visual Effort** is required on a **concentrated** basis in your job? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).**

- Duration means individual periods of **uninterrupted time** (except for scheduled breaks) – i.e. how long you have to perform the activity each time.

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

- Frequency means **how often** each activity occurs within the day or week.

**Occasional** – means the activity occurs once in a while – less than 50% of the time

**Regular** – means the activity occurs often – between 50% - 75% of the time

**Frequent** – means the activity occurs every day – over 75% of the time

| ACTIVITY EXAMPLES                                           | DURATION                  | FREQUENCY  |         |          |
|-------------------------------------------------------------|---------------------------|------------|---------|----------|
|                                                             | Approximate % of time/day | Occasional | Regular | Frequent |
| <i>Computer operation</i>                                   | 40 – 60%                  |            |         | X        |
| <i>Troubleshooting/repairing fine instruments/equipment</i> | 25 – 50%                  |            | X       |          |
| <i>Preparing reports and accessing data</i>                 | 10 – 20%                  |            | X       |          |
| <i>Reading reports/manuals</i>                              | 10%                       |            |         | X        |
| <i>Research reference material and reports</i>              | 5 – 10%                   |            | X       |          |
| <i>Driving</i>                                              | 0 – 10%                   | X          |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |
|                                                             |                           |            |         |          |

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).**

- ▶ **Examples:** taking dictation, counseling; negotiating; taking minutes of meetings; taking telephone messages; operating a switchboard; alarm systems; mechanical/equipment sounds; taking directions or instructions; observing clients/patients/residents.
- ▶ Duration means individual periods of **uninterrupted time** (except for scheduled breaks) – i.e. how long you have to perform the activity each time.
- ▶ Frequency means **how often** each activity occurs within the day or week.

**Frequent** – means the activity occurs every day – over 75% of the time

[illegible]

Section 14 – SENSORY DEMANDS (cont'd)

(c) Must attention be shifted frequently from one job detail to another?

► Examples: keyboarding and answering the telephone; dictatyping; repairing and listening to equipment

Yes ☒

No ☐

If yes, please give **examples**:

♦ *Shifting priorities and schedules to accommodate failures, projects and operational requirements.*

## Section 15 – WORKING CONDITIONS

**Purpose:** This section gathers information on the undesirable or disagreeable environmental conditions or hazards under which the job is carried out.

- (a) Are you exposed to some degree of **unpleasantness** in the day-to-day activities of your job? **Check all conditions that apply to you, and indicate only one of “occasional”, “regular”, or “frequent”.**

**Occasional** – means the condition occurs once in a while – less than 50% of the time

**Regular** – means the condition occurs often – between 50% - 75% of the time

**Frequent** – means the condition occurs every day – over 75% of the time

| CONDITION (specify if applicable)                        | Occasional | Regular | Frequent |
|----------------------------------------------------------|------------|---------|----------|
| Blood / body fluids                                      | X          |         |          |
| Chemical substances (specify): <i>Cleaning solutions</i> |            | X       |          |
| Cold                                                     | X          |         |          |
| Congested workplace                                      | X          |         |          |
| Dust                                                     |            | X       |          |
| Extreme temperature: <i>Energy Centre boiler room</i>    |            | X       |          |
| Foul language                                            | X          |         |          |
| Grease                                                   | X          |         |          |
| Head lice                                                |            |         |          |
| Heat: <i>Steam Systems</i>                               |            | X       |          |
| Inadequate lighting: <i>Mechanical rooms</i>             |            | X       |          |
| Inadequate ventilation                                   | X          |         |          |
| Insects, rodents, etc.                                   | X          |         |          |
| Interruptions                                            |            |         | X        |
| Isolation                                                | X          |         |          |
| Latex                                                    |            |         |          |
| Moisture                                                 | X          |         |          |
| Mold                                                     | X          |         |          |
| Multiple deadlines                                       |            | X       |          |
| Noise: <i>Energy Centre/Mechanical rooms</i>             |            | X       |          |
| Odor                                                     | X          |         |          |
| Oil                                                      | X          |         |          |
| Radiation exposure (specify):                            |            |         |          |
| Second-hand smoke                                        |            |         |          |
| Soiled linens                                            |            |         |          |
| Steam                                                    |            | X       |          |
| Transporting or handling human remains                   |            |         |          |
| Travel                                                   | X          |         |          |
| Vibration                                                |            | X       |          |
| Other (specify):                                         |            |         |          |

- Occasional** – means the condition occurs once in a while – less than 50% of the time  
**Regular** – means the condition occurs often – between 50% - 75% of the time  
**Frequent** – means the condition occurs every day – over 75% of the time

[illegible]

Section 15 – WORKING CONDITIONS (cont’d)

(c) Do you have to take certain training, precautions or wear protective clothing to avoid a work injury? (Check one and provide an explanation or example of the type of precaution(s) normally taken.)

Yes ☒ No ☐

Please explain your answer:

- ◆ *Personal Protective Equipment (PPE)*
- ◆ *Transfer, Lifting, Repositioning (TLR)*
- ◆ *Workplace Hazardous Material Information System (WHMIS)*
- ◆ *Professional Assault Response Training (PART)*
- ◆ *Fall Arrest Training*
- ◆ *Scissor lift and Boom Training*
- ◆ *Confined Space training*

## Appendix A

### Sample Key Activity Summary Statements

#### A

- Accounting
- Accounting operation
- Activities and events
- Administration and communication
- Administration duties
- Administrative activities
- Administrative functions
- Administrative procedures
- Administrative support to executive levels
- Admission, discharges and transfers
- Analysis and detection of epidemics
- Assessment and diagnosis
- Assists with training programs

#### B

- Budget activities
- Budget administration
- Budget and financial management
- Budget and professional development
- Budget and unit administration
- Budget management
- Budget preparation and control
- Budget unit administration

#### C

- Carpentry functions
- Cleaning designated areas

- Cleaning functions
- Clerical duties
- Clinical and patient pastoral services
- Clinical nursing practice
- Clinical pharmacy
- Clinical practice
- Clinical services
- Coding and abstracting
- Collaboration and Education
- Committee and coordination activities
- Committee and professional development
- Committee involvement
- Committee participation
- Committee representation
- Committees and communication
- Committees and community liaison
- Committees and meetings
- Communication and coordination
- Communications and public relations
- Community involvement
- Community resources and liaison
- Compiling reports and statistics
- Consultation
- Consultation and collaboration
- Consultation and program development
- Consultation with team
- Contact with medical staff
- Contact with vendor representatives
- Continuing education

- Control and allocation of beds
- Control of expenditures and government regulations
- Coordination and communication
- Coordination of health services functions
- Coordination of internal and external health care professionals
- Counseling
- Counseling and patient education
- Counseling, treatment and referrals

#### D

- Daily accounts receivable functions
- Department and administrative activities
- Department management
- Development of departments
- Development of nursing education programs
- Development of quality assurance programs
- Diagnosis
- Discharge planning
- Dispensing drugs and monitoring patient profiles
- Drug distribution
- Drug selection and information services

#### E

- Education

- Education (non patient)
- Education and research
- Education consultant
- Education program implementation
- Educational and professional development
- Emergency procedures
- Enforces security, fire and safety regulations
- Equipment testing
- Evaluates radiographs for quality
- Evaluation

## **F**

- Financial and department planning
- Financial management
- Financial systems and controls
- First aid
- Food distribution
- Food preparation
- Food service and nutritional services

## **G**

- General office duties

## **H**

- Health records and quality assurance
- Hospital management
- Housekeeping activities
- Human resource and budget management
- Human resource functions
- Human resources management

## **I**

- Installations
- Investigations

## **L**

- Laboratory Aide functions
- Laboratory technical functions
- Labour relations functions
- Laundry operations
- Lawn and garden maintenance
- Life safety programs and services

## **M**

- Mail and filing
- Maintains directory and files
- Maintains inventory control
- Maintenance and administration
- Maintenance and cleanliness
- Maintenance and committee work
- Maintenance and trouble shooting
- Maintenance of equipment
- Maintenance of records
- Maintenance of telephone and records
- Management of department
- Management of Health Records Department
- Management of laboratory
- Management of systems contractors and suppliers
- Management of the library
- Management of volunteers
- Materials management programs
- Media relations
- Medical management

- Menu board maintenance
- Mobilization and transporting of patients
- Monitors entry and exit of visitors/patients in and out of hospital

## **N**

- Narcotic and controlled drugs
- Narcotic control drug audit
- Nursing care process
- Nutritional and dietary assessment

## **O**

- Occupational therapy program
- Ongoing health program administration
- Operates cash register
- Ordering supplies
- Ordering supplies and inventory
- Orientation
- Orientation of new staff
- Other secretarial functions

## **P**

- Painting functions
- Participation in committees
- Patient care
- Performs electrical circuit installations and completes electrical change requests
- Performs laboratory test procedures
- Performs preventative maintenance
- Performs radiographic examinations
- Pharmacy budget and committees
- Pharmacy functions
- Physiotherapy program
- Planning and organizing
