

# Provider Group – Joint Job Evaluation Job Fact Sheet <u>Job #443 – Cardiac Rhythm Device Technologist</u>

PLEASE PRINT

#### Section 1 - INTRODUCTION

**Purpose:** 

This section provides general direction for completing the Job Fact Sheet and is further supplemented by the additional instructions set out in the remaining sections of this Job Fact Sheet.

The collection of accurate, complete, up-to-date and gender neutral job information is essential to, and forms the basis of, the job evaluation process.

This Job Fact Sheet (JFS) provides a format and serves as a questionnaire designed to describe a job, to capture the skill, effort and responsibility normally required in the work, and to record the conditions under which it is usually carried out. The JFS focuses on **CURRENT** job content and requirements. **THIS IS NOT AN APPRAISAL OF AN INDIVIDUAL'S PERFORMANCE ON THE JOB.** 

Please read the JFS carefully, and complete each section. Throughout the JFS examples are requested and are important as you describe the job. Provide additional information on the back blank pages of this document, additional job holder comments can be recorded in Section (16) on page 26, or attach additional pages if necessary.

#### **SUPERVISOR – STEPS TO FOLLOW:**

- 1. a. New Job: complete Job Review Request Form (JRRF), complete a proposed JFS and proposed Job Description.
  - b. **Six-month review of New Job**: Please review all sections of the completed "draft" JFS and "draft" Job Description thoroughly and add any additional information or comments in each section. Also, additional Supervisor comments can be recorded in Section (18) on page 27.
  - c. Forward all documents to your Human Resources representative.
- 2. DO NOT CHANGE EMPLOYEE'S RESPONSES.

#### **EMPLOYEE - STEPS TO FOLLOW:**

- 1. Please read the JFS carefully, and complete each section. If you find that some questions do not relate to your job, please write in "not applicable".
- 2. The information you provide should relate to the job content as it currently exists. When reviewing your duties and responsibilities, ensure that you consider the entire job cycle (activities that regularly occur in a one-year period).
- 3. Group submissions are encouraged for employees doing the same or very similar job duties.
- 4. It is suggested that you complete Sections 6 through 15 before completing Sections 4 and 5. The "Sample Key Activities" (see Appendix A) may assist you in completing Section 5.
- 5. Once you have completed the JFS and if you have not already submitted a JRRF, please complete and forward both documents to your Human Resources representative. Keep a copy of all documentation for your records. Please complete the Signatures Section (17) on page 26.
- 6. Your immediate Out-of-Scope Supervisor (Supervisor) will review your completed JFS and add comments at the end of each section.
- Please keep in mind that, although you are the employee(s) doing the job, what is being described are the current responsibilities of the job not how well you are performing these tasks and responsibilities. It is important that you concentrate only on providing the facts about the job and its responsibilities.

Purpose: This section g	gathers information regarding the organization	on in which your job functions.			
Complete the Chart below:  Be sure to write in the <b>Provinci</b>	al JE Job Title of the position – not the name	of the person currently in the job.			
Title of your immed	liate Out-of-Scope Supervisor	SUPERVISOR'S COMMENTS – ORGANIZATION CHART	ONAL WORK

#### 5 – KEY WORK ACTIVITIES

Purpose: This section describes the key activities, duties and responsibilities of the job.

Consider the full range of job duties or responsibilities undertaken over the year. Summarize these in rough form before completing this section.

Group the job duties or responsibilities that are related and summarize them in a phrase, at the top of each box (e.g., counseling and patient education, preventative maintenance, community involvement). Estimate (to the nearest 5%) the percentage of time per year spent on each key work activity summarized in the section(s) below. Most jobs can be described in three to five key work activities.

The total of all key work activity sections should equal but not exceed 100%. For example: ½ day every day per year = 50%; 3 months per year = 25%; 2½ weeks per year = 5%

After summarizing each key work activity, provide details or examples that describe the related job duties or responsibilities. If using abbreviations, acronyms or technical terminology, please initially explain their meaning.

- Don't get lost in detail in describing the duties and responsibilities. Use clear verbs about things that are done in connection with each one. Avoid using a gender biased wording (i.e. he or she) in describing the work.
- It is important that the **whole job** be described, not just a particular dimension or a special project.

The "Sample Key Activities" (see Appendix A) may assist you in completing this section.

#### Key Work Activity A: Diagnostic / Cardiac Device Procedures

## **Duties/Responsibilities:**

- ♦ Prepares and assesses patient (e.g., identification, consent, medical/lifestyle history, instruction of procedure).
- ♦ Performs a variety of diagnostic procedures (e.g., ambulatory monitoring, electrocardiograms (ECG), exercise tolerance test, pacemaker analysis/reprogramming).
- ♦ Evaluates lead placement using Programmable System Analyzer (PSA) during device implantation and troubleshoots.
- ♦ Monitors patient during and following procedures (e.g., ECG, blood pressure, comfort level, lead malfunctions, stress testing).
- ♦ Uses Tran-telephonic monitoring to remotely evaluate battery status, lead integrity and diagnostic data.
- ♦ Analyzes test results; identifying abnormal/unexpected values and alerts physician as appropriate.
- ♦ Prepares, organizes, processes and reports test results.

#### Section 6 – DECISION-MAKING

Purpose: This section provides a series of situations that may be encountered on the job requiring decision making before taking action.

For each situation, please indicate the response that most appropriately describes your job. Provide examples where requested. Add any additional examples under "Other".

Example: if the job requires you to follow specific instructions/procedures most of the time, check the box under "Most of the time" and give examples. If the job requires you to modify established methods often, check "Often".

(a)	In this job, do you (check all responses that apply)	Almost never	Sometimes	Often	Most of the time
	Follow specific instructions/procedures, use well-defined methods or use established guidelines to achieve desired end results.  Example: <i>Routine pacemaker follow-up procedures</i> .				X
	Modify or change established department methods and procedures, but stay within program or legislative boundaries. Example: <i>Adjust testing procedures to ensure best results</i> .			X	
	Develop new solutions to diverse and complex problems with conflicting requirements because there are no guidelines.  Example: <i>Troubleshooting and programming devices in unique situations</i> .		X		

(b)	When there is a situation you have not come across before, do you (check all responses that apply)	Almost never	Sometimes	Often	Most of the time
	Immediately ask the supervisor/leader what to do		X		
	Ask co-workers for help in deciding what to do		X		
	Read manuals and figure out what to do		X		
	Decide with your supervisor what to do		X		
	Check guidelines and past practices			X	
	Decide what to do based on your related experience				X
	Get advice with problems from management and/or other sources (e.g. supplier, consultants):		X		
	Other (specify):				

(c)	To what extent are the decision-making requirements of this job guided by others (chand provide examples)	eck all responses that apply	Almost never	Sometimes	Often	Most of the time

#### **Section 13 – PHYSICAL DEMANDS**

Purpose: This section gathers information on the physical effort and for the accurate hand/eye or hand/foot coordination required on a regular basis in your job.

- (a) What **physical effort** is required on a **typical** basis for your job? Please provide examples that are applicable to your job.
  - Duration means individual periods of **uninterrupted time** (except for scheduled breaks) i.e. how long you have to perform the activity each time.
  - Frequency means **how often** each activity occurs within the day.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift -6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).** 

Place a checkmark in the chart below indicating the duration, frequency and weight of the activity. **Only indicate weight where applicable**.

**Light weight** – up to 9 kg / 20 lbs

Occasional – means the activity occurs once in a while – less than 50% of the time

**Medium weight** – over 9 kg / 20 lbs

**Regular** – means the activity occurs often – between 50% - 75% of the time

**Heavy weight** – over 23kg / 50 lbs

**Frequent** – means the activity occurs every day – over 75% of the time

Exertions that are infrequent or that are not typical of the performance of the job should not be considered.

	DURATION		FREQUENC	Y	WEIGHT
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent	Light, Medium, Heavy (specify)
Walking/standing/moving equipment, bending over patients; working in awkward positions	80%			X	L
Computer operation	20 – 30%			X	
Assisting patients	25%		X		L - M
Stocking supplies, making beds	10%		X		L - M
	-				
	-				
	-				

Section	13_	PHV	SICAT	. DEM A	NDS	(cont'd)

(b) Does your work require accurate hand/eye or hand/foot coordination? Please provide examples that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).** 

**Examples**: keyboard skills, repairing fine instruments/equipment; floor polishers; folding laundry; mechanical; plumbing; giving injections; dispensing oral medications; lawn mowers; sorting mail; electrical; driving; drafting; using long-handled tools such as mops and shovels; stocking shelves; positioning patients and equipment; carpentry.

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

Occasional – means the activity occurs once in a while – less than 50% of the time

Regular – means the activity occurs often – between 50% - 75% of the time

Frequent – means the activity occurs every day – over 75% of the time

	DURATION		Y	
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent
Testing (includes positioning and observing patient)	70%			X
Computer operation	20 – 30%			X
Filing	5%	X		
Stocking	5%	X

#### **Section 14 – SENSORY DEMANDS**

Purpose: This section gathers information on the frequency and duration of sensory demands required by your job.

(a) What **Visual Effort** is required on a **concentrated** basis in your job? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).** 

Duration means individual periods of **uninterrupted time** (except for scheduled breaks) – i.e. how long you have to perform the activity each time.

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

Frequency means **how often** each activity occurs within the day or week.

Occasional – means the activity occurs once in a while – less than 50% of the time

- means the activity occurs often – between 50% - 75% of the time

- means the activity occurs every day – over 75% of the time

	DURATION		FREQUENC	Y
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent
Testing and observing patients	70%			X
Cardiac device testing and programming	70%			X
Computer operation	20 - 30%			X
	-			
	<u> </u>			

### Section 14 – SENSORY DEMANDS (cont'd)

(b) Does your job require that you **Listen Attentively**? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). **Percentages may not add up to 100% (due to simultaneous activities).** 

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

- **Examples**: taking dictation, counseling; negotiating; taking minutes of meetings; taking telephone messages; operating a switchboard; alarm systems; mechanical/equipment sounds; taking directions or instructions; observing clients/patients/residents.
- Duration means individual periods of **uninterrupted time** (except for scheduled breaks) i.e. how long you have to perform the activity each time.
- Frequency means **how often** each activity occurs within the day or week.

Occasional – means the activity occurs once in a while – less than 50% of the time

Regular – means the activity occurs often – between 50% - 75% of the time

Frequent – means the activity occurs every day – over 75% of the time

	DURATION		FREQUENC	Y
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent
Patients	70%			X
Equipment	20%			X
Physicians	20%			X

ection 14 – SENSORY DEMAND	OS (cont'd)		
Must attention be shifted from	equently from one job d	etail to another?	
Examples: keyboarding and	d answering the telepho	ne; dictatyping; repairing	and listening to equipment
Yes 🖂	No 🗌		
If yes, please give <b>example</b>	s:		
♦ Checking/assessing pa	tients, answering phon	es, responding to staff ar	nd physicians, programming/testing devices.

# **Appendix A Sample Key Activity Summary Statements**

#### A

- Accounting
- Accounting operation
- Activities and events
- Administration and communication
- Administration duties
- Administrative activities
- Administrative functions
- Administrative procedures
- Administrative support to executive levels
- Admission, discharges and transfers
- Analysis and detection of epidemics
- Assessment and diagnosis
- Assists with training programs

### В

- Budget activities
- Budget administration
- Budget and financial management
- Budget and professional development
- Budget and unit administration
- Budget management
- Budget preparation and control
- Budget unit administration

# C

- Carpentry functions
- Cleaning designated areas

- Cleaning functions
- Clerical duties
- Clinical and patient pastoral services
- Clinical nursing practice
- Clinical pharmacy
- Clinical practice
- Clinical services
- Coding and abstracting
- Collaboration and Education
- Committee and coordination activities
- Committee and professional development
- Committee involvement
- Committee participation
- Committee representation
- Committees and communication
- Committees and community liaison
- Committees and meetings
- Communication and coordination
- Communications and public relations
- Community involvement
- Community resources and liaison
- Compiling reports and statistics
- Consultation
- Consultation and collaboration
- Consultation and program development
- Consultation with team
- Contact with medical staff
- Contact with vendor representatives
- Continuing education

- Control and allocation of beds
- Control of expenditures and government regulations
- Coordination and communication
- Coordination of health services functions
- Coordination of internal and external health care professionals
- Counseling
- Counseling and patient education
- Counseling, treatment and referrals

#### D

- Daily accounts receivable functions
- Department and administrative activities
- Department management
- Development of departments
- Development of nursing education programs
- Development of quality assurance programs
- Diagnosis
- Discharge planning
- Dispensing drugs and monitoring patient profiles
- Drug distribution
- Drug selection and information services

# $\mathbf{E}$

Education

JE: Revised Dec 19/06

- Education (non patient)
- Education and research
- Education consultant
- Education program implementation
- Educational and professional development
- Emergency procedures
- Enforces security, fire and safety regulations
- Equipment testing
- Evaluates radiographs for quality
- Evaluation

# F

- Financial and department planning
- Financial management
- Financial systems and controls
- First aid
- Food distribution
- Food preparation
- Food service and nutritional services

# G

• General office duties

#### H

- Health records and quality assurance
- Hospital management
- Housekeeping activities
- Human resource and budget management
- Human resource functions
- Human resources management

#### ]

- Installations
- Investigations

#### L

- Laboratory Aide functions
- Laboratory technical functions
- Labour relations functions
- Laundry operations
- Lawn and garden maintenance
- Life safety programs and services

#### M

- Mail and filing
- Maintains directory and files
- Maintains inventory control
- Maintenance and administration
- Maintenance and cleanliness
- Maintenance and committee work
- Maintenance and trouble shooting
- Maintenance of equipment
- Maintenance of records
- Maintenance of telephone and records
- Management of department
- Management of Health Records Department
- Management of laboratory
- Management of systems contractors and suppliers
- Management of the library
- Management of volunteers
- Materials management programs
- Media relations
- Medical management

- Menu board maintenance
- Mobilization and transporting of patients
- Monitors entry and exit of visitors/patients in and out of hospital

#### N

- Narcotic and controlled drugs
- Narcotic control drug audit
- Nursing care process
- Nutritional and dietary assessment

### 0

- Occupational therapy program
- Ongoing health program administration
- Operates cash register
- Ordering supplies
- Ordering supplies and inventory
- Orientation
- Orientation of new staff
- Other secretarial functions

# P

- Painting functions
- Participation in committees
- Patient care
- Performs electrical circuit installations and completes electrical change requests
- Performs laboratory test procedures
- Performs preventative maintenance
- Performs radiographic examinations
- Pharmacy budget and committees
- Pharmacy functions
- Physiotherapy program
- Planning and organizing

JE: Revised Dec 19/06

- Planning and organizing carpentry activities
- Planning and organizing of daily painting activities
- Planning and organizing plumbing activities
- Planning and unit administration
- Plant maintenance
- Plant operations
- Play therapy
- Plumbing functions
- Policy and procedure development
- Preparation of annual budgets
- Prepares and writes programs
- Processing of doctors orders
- Production reports and records
- Professional development
- Professional growth
- Professional standards
- Program development
- Protection of hospital building and premises
- Provides assistance to departments on request
- Provides information and Library Services
- Provides physical care to patients
- Psycho-social assessment and counseling
- Public inquires
- Public relations
- Pulmonary function testing
- Purchasing activities

# Q

- Quality assurance and audit
- Quality assurance and maintenance of equipment
- Quality assurance/control
- Quality control and preventative maintenance

### R

- Receipt and delivered items
- Reception and telephone
- Receptionist functions
- Recording and monitoring results
- Releasing information
- Repairs and maintenance to equipment
- Report production
- Reporting and communication
- Reporting and documentation
- Reporting the test results
- Reports and records information required by nursing staff
- Research
- Research and education
- Research into hospital activities
- Respiratory care
- Responds to incoming/outgoing telephone calls and inquires
- Reviewing test results

# S

- Scheduling and coordination activities
- Scheduling and processing

- Scoring and interpretation
- Secretarial functions
- Selects, acquires and organizes library materials
- Social work functions
- Sterile product preparation
- Strategic planning
- Supervises activities
- Supervises technicians
- Supervision
- Surveillance of nursing units
- Systems development process
- Systems planning and maintenance

### $\mathbf{T}$

- Teaching and education
- Telephone and reception
- Test administration
- Testing procedure
- Therapeutic counseling and treatment
- Training
- Transcription of medical reports

#### U

- Unit administration
- Unit management
- Unit nursing specialized activities
- Unit/technical management

# $\mathbf{W}$

• Word processing and typing function
