

Provider Group – Joint Job Evaluation Job Fact Sheet Job #469 – Nuclear Medicine Imaging Information System Technologist

PLEASE PRINT

Section 1 – INTRODUCTION

Purpose: This section provides general direction for completing the Job Fact Sheet and is further supplemented by the additional instructions set out in the remaining sections of this Job Fact Sheet.

The collection of accurate, complete, up-to-date and gender neutral job information is essential to, and forms the basis of, the job evaluation process.

This Job Fact Sheet (JFS) provides a format and serves as a questionnaire designed to describe a job, to capture the skill, effort and responsibility normally required in the work, and to record the conditions under which it is usually carried out. The JFS focuses on **CURRENT** job content and requirements. **THIS IS NOT AN APPRAISAL OF AN INDIVIDUAL'S PERFORMANCE ON THE JOB**.

Please read the JFS carefully, and complete each section. Throughout the JFS examples are requested and are important as you describe the job. Provide additional information on the back blank pages of this document, additional job holder comments can be recorded in Section (16) on page 26, or attach additional pages if necessary.

SUPERVISOR – STEPS TO FOLLOW:

- 1. a. New Job: complete Job Review Request Form (JRRF), complete a proposed JFS and proposed Job Description.
 - b. Forward all documents to your Human Resources representative.
- 2. DO NOT CHANGE EMPLOYEE'S RESPONSES.

EMPLOYEE - STEPS TO FOLLOW:

- 1. Please read the JFS carefully, and complete each section. If you find that some questions do not relate to your job, please write in "not applicable".
- 2. The information you provide should relate to the job content as it currently exists. When reviewing your duties and responsibilities, ensure that you consider the entire job cycle (activities that regularly occur in a one-year period).
- 3. Group submissions are encouraged for employees doing the same or very similar job duties.
- 4. It is suggested that you complete Sections 6 through 15 before completing Sections 4 and 5. The "Sample Key Activities" (see Appendix A) may assist you in completing Section 5.
- 5. Once you have completed the JFS and if you have not already submitted a JRRF, please complete and forward both documents to your Human Resources representative. Keep a copy of all documentation for your records. Please complete the Signatures Section (17) on page 26.
- 6. Your immediate Out-of-Scope Supervisor (Supervisor) will review your completed JFS and add comments at the end of each section.
- Please keep in mind that, although you are the employee(s) doing the job, what is being described are the current responsibilities of the job not how well you are performing these tasks and responsibilities. It is important that you concentrate only on providing the facts about the job and its responsibilities.

Purpose: This section gathers information regarding the organizatio	on in which your job functions.
Complete the Chart below:	
Be sure to write in the Provincial JE Job Title of the position – not the name of	of the person currently in the job.
Title of your immediate Out-of-Scope Supervisor	SUPERVISOR'S COMMENTS – ORGANIZATIONAL WORK CHART

Job #469 – Nuclear Medicine Imag	ing Information Syst	em Technologist (June 12	, 2019)	Page 3 of 28

Section 5 – KEY WORK ACTIVITIES

Purpose: This section describes the key activities, duties and responsibilities of the job.

Consider the full range of job duties or responsibilities undertaken over the year. Summarize these in rough form before completing this section.

Group the job duties or responsibilities that are related and summarize them in a phrase, at the top of each box (e.g., counseling and patient education, preventative maintenance, community involvement). Estimate (to the nearest 5%) the percentage of time per year spent on each key work activity summarized in the section(s) below. Most jobs can be described in three to five key work activities.

The total of all key work activity sections should equal but not exceed 100%. For example: $\frac{1}{2}$ day every day per year = 50%; 3 months per year = 25%; 2 $\frac{1}{2}$ weeks per year = 5%

After summarizing each key work activity, provide details or examples that describe the related job duties or responsibilities. If using abbreviations, acronyms or technical terminology, please initially explain their meaning.

- Don't get lost in detail in describing the duties and responsibilities. Use clear verbs about things that are done in connection with each one. Avoid using a gender biased wording (i.e. he or she) in describing the work.
- It is important that the **whole job** be described, not just a particular dimension or a special project.

The "Sample Key Activities" (see Appendix A) may assist you in completing this section.

Key Work Activity A: System Development and Documentation

Duties/Responsibilities:

- Determines how RIS/PACS/NMIS software will be configured and how the workflow is designed to best integrate technology with the provision of efficient and timely Nuclear Medicine Imaging Services.
- Develops RIS/PACS/NMIS solutions that are complementary to operational needs and resource challenges by performing user requirements definition, software evaluation and selection, system configuration setup, validation, training and documentation.
- Processes system change requests while working within the software options/functionality/ limitations, with consideration of best practice guidelines, regulatory issues and operational needs.
- Identifies system software programming limitations to ensure optimal patient care outcomes and works with vendors to develop solutions.
- Researches, evaluates and implements additional and upgraded system functionality.
- Verifies, validates and recommends or rejects the implementation of software upgrades/ Changes (version, release or patch), as well as hardware and/or operation system upgrades.

Section 5 – KEY WORK ACTIVITIES (cont'd) Key Work Activity A: <u>System Development and Documentation (cont'd)</u>

Duties/Responsibilities:

- Configures, tests and validates interface communications between the RIS/PACS/NMIS and various radiology modalities, and between the imaging processes and other computer systems.
- Participates in local and/or external projects involving the RIS/PACS/NMIS.
- Develops, writes and monitors compliance of supporting procedures, policies and reports.
- Pursues customized software changes designed to improve Nuclear Medicine operations.
- Evaluates new equipment and technology for system suitability and use.

Key Work Activity B: System Maintenance / Troubleshooting / Support

Duties/Responsibilities:

- Sets up and maintains security access for users of RIS/PACS/NMIS applications.
- Troubleshoots and evaluates reported or recognized problems.
- Informs and advises management about any system functionality issues that will impact Nuclear Medicine and imaging services.
- Performs demographic maintenance to ensure integrity of RIS/PACS/NMIS database.
- Monitors RIS/PACS/NMIS operations for system degradation.
- Supports the operational system needs of all the various divisions of Nuclear Medicine/ Medical Imaging and the RIS/PACS/NMIS needs of the end-users of Medical Imaging.
- Provides limited hardware support by evaluating hardware issues and resolving or forwarding to IT Services as required.

Section 5 – KEY WORK ACTIVITIES (cont'd)

Key Work Activity C: <u>Administration/Coordination/Management Reporting</u>

Duties/Responsibilities:

- Provides functional advice/technical expertise and problem solving suggestions related to Medical Imaging as supported by RIS/PACS/NMIS functionality and diagnostic imaging reporting requirements.
- Provides evaluation of and/or produces documentation for Medical Imaging processes, policies and procedures.
- Builds RIS files and manages the documentation and reporting of RIS workload statistics.
- Communicates with departments and various services or agencies regarding issues, needs, service requirements or proposed changes that may have an impact on RIS/PACS/NMIS functionality.
- Coordinates system downtime events and resolutions.
- Prepares written and/or oral reports for various departments, and management personnel.
- Maintains documentation records as per requirements.
- Provides information and statistical reports for business case submissions for capital expenditures for software/hardware purchase.

Key Work Activity D: <i>Quality Assurance / Quality</i>	y Control
---------------------------------------------------------	-----------

Duties/Responsibilities:

- Maintains database integrity.
- Develops, generates and validates statistical data from the RIS/PACS/NMIS; including (but not limited to) the use of SQL (Structured Query Language) and other third-party software products).
- Leads the development of validation test scripts, and reviews outcomes to ensure that changes do not adversely affect laboratory operations.
- Follows preventative maintenance programs and recognizes systematic malfunctions and maintains event logs.
- Provides system development and support of Quality Assurance/Quality Control programs as required by local protocols, government regulations and diagnostic imaging licensing.

Section 6 - DECISION-MAKING

Purpose: This section provides a series of situations that may be encountered on the job requiring decision making before taking action.

For each situation, please indicate the response that most appropriately describes your job. Provide examples where requested. Add any additional examples under "Other".

Example: if the job requires you to follow specific instructions/procedures most of the time, check the box under "Most of the time" and give examples. If the job requires you to modify established methods often, check "Often".

a)	In this job, do you (check all responses that apply)	Almost never	Sometimes	Often	Most of the time
	Follow specific instructions/procedures, use well-defined methods or use established guidelines to achieve desired end results. Example: <i>Follow vendor instructions</i> .			X	
	Modify or change established department methods and procedures, but stay within program or legislative boundaries. Example: <i>Improvements/new technology/safety initiatives change established methods. E.g., Hardware/software updates.</i>		X		
	Develop new solutions to diverse and complex problems with conflicting requirements because there are no guidelines. Example: Develop innovative/optimum solutions for specific physician/ward requirements without negatively impacting system users.		X		

When there is a situation you have not come across before, do you (check all responses that apply)	Almost never	Sometimes	Often	Most of the time
Immediately ask the supervisor/leader what to do		X		
Ask co-workers for help in deciding what to do		X		
Read manuals and figure out what to do		X		
Decide with your supervisor what to do		X		
Check guidelines and past practices		X		
Decide what to do based on your related experience			X	
Get advice with problems from management and/or other sources (e.g. supplier, consultants)		X

Section 13 – PHYSICAL DEMANDS

(a)

Þ

]	Purpose:	This section gathers information on the physical effort and for the accurate hand/eye or hand/foot coordination required on a regular basis in your job.
	What physical e	effort is required on a typical basis for your job? Please provide examples that are applicable to your job.
		individual periods of uninterrupted time (except for scheduled breaks) – i.e. how long you have to perform the activity each time. ns how often each activity occurs within the day.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). Percentages may not add up to 100% (due to simultaneous activities).

Place a checkmark in the chart below indicating the duration, frequency and weight of the activity. Only indicate weight where applicable.

Light weight – up to 9 kg / 20 lbs

Medium weight – over 9 kg / 20 lbs

Occasional - means the activity occurs once in a while - less than 50% of the time

Heavy weight – over 23kg / 50 lbs

Regular – means the activity occurs often – between 50% - 75% of the time Frequent – means the activity occurs every day – over 75% of the time

Exertions that are infrequent or that are not typical of the performance of the job should not be considered.

DURATION FREQUENCY		Y	WEIGHT		
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent	Light, Medium, Heavy (specify)
Sitting at work station/computer operation/telephone conversations	60 - 75%			X	
Moving printers and computers; unpacking supplies	5 - 10%	X			М
Awkward positions when troubleshooting equipment, computer hardware	5%	X			
Walking	5%		X		
Driving	5%	X			
Others (please specify)					

Section 13 – PHYSICAL DEMANDS (cont'd)

(b) Does your work require **accurate hand/eye or hand/foot coordination**? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). Percentages may not add up to 100% (due to simultaneous activities).

Examples: keyboard skills, repairing fine instruments/equipment; floor polishers; folding laundry; mechanical; plumbing; giving injections; dispensing oral medications; lawn mowers; sorting mail; electrical; driving; drafting; using long-handled tools such as mops and shovels; stocking shelves; positioning patients and equipment; carpentry.

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

Occasional	– means the activity occurs once in a while – less than 50% of the time
Regular	– means the activity occurs often – between 50% - 75% of the time
Frequent	- means the activity occurs every day - over 75% of the time

				DURATION		FREQUENCY	Y
	ACTIVITY EXAMPLES Computer operation				Occasional	Regular	Frequent
Computer operation							X
Troubleshooting and prevent and software programs	ectivities of instruments	, hardware	15%	X			
Driving				5%	X		
			*****	******	****

Section 14 – SENSORY DEMANDS

Purpose: This section gathers information on the frequency and duration of sensory demands required by your job.

(a) What **Visual Effort** is required on a **concentrated** basis in your job? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). Percentages may not add up to 100% (due to simultaneous activities).

Duration means individual periods of **uninterrupted time** (except for scheduled breaks) – i.e. how long you have to perform the activity each time.

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

Frequency means **how often** each activity occurs within the day or week.

Occasional	- means the activity occurs once in a while - less than 50% of the time
Regular	- means the activity occurs often - between 50% - 75% of the time
Frequent	- means the activity occurs every day - over 75% of the time

	DURATION		FREQUENC	CY	
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent	
Reading textbooks, manuals, requisitions, labels	20%			X	
Operating computer (e.g., designing/producing report/interface operation)	60 - 75%			X	
Observing instrument function	50%			X	
Driving	5%	X			
Other (please specify)					

Section 14 – SENSORY DEMANDS (cont'd)

(b) Does your job require that you **Listen Attentively**? Please provide **examples** that are applicable to your job.

Indicate the duration of time that the activity is present during the normal workday or shift (e.g., for an 8 hour shift – 6 hours = 75%; 4 hours = 50%; 2 hours = 25%; 1 hour = 12%; 1/2 hour = 6%). Percentages may not add up to 100% (due to simultaneous activities).

Place a checkmark in the chart below indicating the frequency of occurrence over a year.

- **Examples**: taking dictation, counseling; negotiating; taking minutes of meetings; taking telephone messages; operating a switchboard; alarm systems; mechanical/equipment sounds; taking directions or instructions; observing clients/patients/residents.
- Duration means individual periods of **uninterrupted time** (except for scheduled breaks) i.e. how long you have to perform the activity each time.
- Frequency means **how often** each activity occurs within the day or week.

Occasional	- means the activity occurs once in a while - less than 50% of the time
Regular	– means the activity occurs often – between 50% - 75% of the time
Frequent	- means the activity occurs every day - over 75% of the time

	DURATION	FREQUENCY		
ACTIVITY EXAMPLES	Approximate % of time/day	Occasional	Regular	Frequent
Telephone	30%			X
Taking direction	10%		X	
Problem solving	50%			X
Consulting with users/end users	10%		X	
Meetings/in-services	20%		X	
Equipment sounds/alarms	50 - 75%	X		

c) Must attention be shifted freque	ently from one job de	etail to another?	
Examples: keyboarding and an	swering the telephor	ne; dictatyping; repairing	g and listening to equipment
Yes 🖂 No [
If yes, please give examples :			
• Competing priorities inc	cluding project work	z, IT support requireme	nts, incidents requiring immediate assistance (e.g., hardware/software/cabling).

Appendix A Sample Key Activity Summary Statements

A

- Accounting
- Accounting operation
- Activities and events
- Administration and communication
- Administration duties
- Administrative activities
- Administrative functions
- Administrative procedures
- Administrative support to executive levels
- Admission, discharges and transfers
- Analysis and detection of epidemics
- Assessment and diagnosis
- Assists with training programs

B

- Budget activities
- Budget administration
- Budget and financial management
- Budget and professional development
- Budget and unit administration
- Budget management
- Budget preparation and control
- Budget unit administration

С

- Carpentry functions
- Cleaning designated areas

- Cleaning functions
- Clerical duties
- Clinical and patient pastoral services
- Clinical nursing practice
- Clinical pharmacy
- Clinical practice
- Clinical services
- Coding and abstracting
- Collaboration and Education
- Committee and coordination activities
- Committee and professional development
- Committee involvement
- Committee participation
- Committee representation
- Committees and communication
- Committees and community liaison
- Committees and meetings
- Communication and coordination
- Communications and public relations
- Community involvement
- Community resources and liaison
- Compiling reports and statistics
- Consultation
- Consultation and collaboration
- Consultation and program development
- Consultation with team
- Contact with medical staff
- Contact with vendor representatives
- Continuing education

- Control and allocation of beds
- Control of expenditures and government regulations
- Coordination and communication
- Coordination of health services functions
- Coordination of internal and external health care professionals
- Counseling
- Counseling and patient education
- Counseling, treatment and referrals

D

- Daily accounts receivable functions
- Department and administrative activities
- Department management
- Development of departments
- Development of nursing education programs
- Development of quality assurance programs
- Diagnosis
- Discharge planning
- Dispensing drugs and monitoring patient profiles
- Drug distribution
- Drug selection and information services

E

• Education

- Education (non patient)
- Education and research
- Education consultant
- Education program implementation
- Educational and professional development
- Emergency procedures
- Enforces security, fire and safety regulations
- Equipment testing
- Evaluates radiographs for quality
- Evaluation

F

- Financial and department planning
- Financial management
- Financial systems and controls
- First aid
- Food distribution
- Food preparation
- Food service and nutritional services

G

• General office duties

H

- Health records and quality assurance
- Hospital management
- Housekeeping activities
- Human resource and budget management
- Human resource functions
- Human resources management

Ι

- Installations
- Investigations

L

- Laboratory Aide functions
- Laboratory technical functions
- Labour relations functions
- Laundry operations
- Lawn and garden maintenance
- Life safety programs and services

\mathbf{M}

- Mail and filing
- Maintains directory and files
- Maintains inventory control
- Maintenance and administration
- Maintenance and cleanliness
- Maintenance and committee work
- Maintenance and trouble shooting
- Maintenance of equipment
- Maintenance of records
- Maintenance of telephone and records
- Management of department
- Management of Health Records Department
- Management of laboratory
- Management of systems contractors and suppliers
- Management of the library
- Management of volunteers
- Materials management programs
- Media relations
- Medical management

- Menu board maintenance
- Mobilization and transporting of patients
- Monitors entry and exit of visitors/patients in and out of hospital

Ν

- Narcotic and controlled drugs
- Narcotic control drug audit
- Nursing care process
- Nutritional and dietary assessment

0

- Occupational therapy program
- Ongoing health program administration
- Operates cash register
- Ordering supplies
- Ordering supplies and inventory
- Orientation
- Orientation of new staff
- Other secretarial functions

Р

- Painting functions
- Participation in committees
- Patient care
- Performs electrical circuit installations and completes electrical change requests
- Performs laboratory test procedures
- Performs preventative maintenance
- Performs radiographic examinations
- Pharmacy budget and committees
- Pharmacy functions
- Physiotherapy program
- Planning and organizing

- Planning and organizing carpentry activities
- Planning and organizing of daily painting activities
- Planning and organizing plumbing activities
- Planning and unit administration
- Plant maintenance
- Plant operations
- Play therapy
- Plumbing functions
- Policy and procedure development
- Preparation of annual budgets
- Prepares and writes programs
- Processing of doctors orders
- Production reports and records
- Professional development
- Professional growth
- Professional standards
- Program development
- Protection of hospital building and premises
- Provides assistance to departments on request
- Provides information and Library Services
- Provides physical care to patients
- Psycho-social assessment and counseling
- Public inquires
- Public relations
- Pulmonary function testing
- Purchasing activities

Q

- Quality assurance and audit
- Quality assurance and maintenance of equipment
- Quality assurance/control
- Quality control and preventative maintenance

R

- Receipt and delivered items
- Reception and telephone
- Receptionist functions
- Recording and monitoring results
- Releasing information
- Repairs and maintenance to equipment
- Report production
- Reporting and communication
- Reporting and documentation
- Reporting the test results
- Reports and records information required by nursing staff
- Research
- Research and education
- Research into hospital activities
- Respiratory care
- Responds to incoming/outgoing telephone calls and inquires
- Reviewing test results

S

- Scheduling and coordination activities
- Scheduling and processing

- Scoring and interpretation
- Secretarial functions
- Selects, acquires and organizes library materials
- Social work functions
- Sterile product preparation
- Strategic planning
- Supervises activities
- Supervises technicians
- Supervision
- Surveillance of nursing units
- Systems development process
- Systems planning and maintenance

Т

- Teaching and education
- Telephone and reception
- Test administration
- Testing procedure
- Therapeutic counseling and treatment
- Training
- Transcription of medical reports

U

- Unit administration
- Unit management
- Unit nursing specialized activities
- Unit/technical management

W

• Word processing and typing function
